

How We Can Help You

Old Seville Expense Reduction Company Inc., founded in 1997, is an independent, privately owned consulting, management and analysis firm. Our company has a strong commitment to obtaining financial savings for our clients with integrity and professionalism.

Old Seville offers a full range of savings programs that are designed to meet the needs of each individual customer. Through our resources and experience, we actively pursue and initiate savings in every aspect of business cost reduction.

Over the years, Old Seville has worked with Assisted Living & Care Centers, Commercial Developers, Factories, Hospitals, Hotels/Motels, Restaurants, Truck Stops and more. We've had great success in saving our clients millions of dollars.
